

International Credit Union Day - October 17, 2019

This year's theme, "Local Service. Global Reach.", celebrates how the credit union movement serves 200 million+ members around the world, including more than 100 million in the US alone simply because of our not-for-profit cooperative spirit—the basic philosophy of "people helping people".

Ewa FCU welcomes you to stop by the office on October 17th as we will be celebrating ICU Day by serving refreshments from 11AM – 2PM while supplies last.
